Welcome to Yummy Catering

Modern Asian fusion catering for birthdays, backyard parties, engagements, house warmings, casual weddings and private celebrations.

Our food truck is used as an on-site kitchen, with food served through styled food stations instead of a standard queue-up service.

This menu is designed for shared-style party dining, with a mix of Asian sides, hot bites, BBQ items, yum cha bites, bao buns, banh mi bites, rice noodle cups and dessert cups.

Guests can enjoy more variety without the meal feeling too heavy.
